

ANTIBAC FOAM

Antimicrobial, Perfumed Rich-cream Foam Hand Wash

PRODUCT DESCRIPTION

Antimicrobial foam hand wash with added moisturisers and pleasant scent. Contains Accelerated Hydrogen Peroxide® to clean hands and kill 99.99% of germs when used as directed.

WHERE TO USE

Washroom areas in offices, education, nurseries, public facilities, healthcare and aged care environments where a higher level of hand hygiene is preferred.

INSTRUCTIONS FOR USE

- Apply 1-2 doses to dry hands.
- Rub in well across all parts of the hands for 30 seconds.
- Rinse hands thoroughly with clean running water and dry well.

Use biocides safely; always read the product label before use.

FORMAT: FOAM

FEATURES	BENEFITS
Contains patented Accelerated Hydrogen Peroxide®	Provides broad spectrum antimicrobial activity killing up to 99.99% of many common bacteria, yeast and viruses.
Pleasantly fragranced	'Mountain Dew' fragrance is designed for use in a broad range of washrooms.
Mild formulation	Dermatologist tested to verify and confirm this product does not elicit allergenic potential.
Rich-cream Foam	Excellent skin feel properties both during and after use.
Contains skin conditioners	Helps to prevent drying and leaves the skin feeling smooth after use.
Convenient, quick and easy	Dispenses foam on the hands which is instantly ready for washing and quick & easy rinsing from hands and sinks.
Excellent cost in use	Highly economical, only one dose is required to provide effective hand cleansing. Provides over 30% more washes and uses 36% less product compared to lotion soap.
Reduces water consumption	Can save up to 45% on water consumption compared to lotion soaps.

ANTIBAC FOAM

Antimicrobial, Perfumed Rich-cream Foam Hand Wash

STATUTORY REGULATIONS

This product meets the current national regulations for Biocidal products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/uk/msds.

SHELF LIFE

This product has a shelf life of at least 24 months from the date of manufacture when stored unopened at room temperature.

HANDLING INSTRUCTIONS

Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water (for at least 10 minutes) and seek medical advice. Please refer to label or SDS sheet for safety information.

QUALITY ASSURANCE

SC Johnson Professional skin care products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in our high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Mild

The dye-free formulation did not demonstrate a potential for eliciting dermal irritation or sensitisation after conducting an independent 8 week Repeat Irritation Patch Test (RIPT)

Product Safety Assessment

The product has been independently assessed for human toxicity and product stability. Overall, this item can be considered safe for the intended use; use on the hands of adults and children above the age of 3 years old.

EFFICACY TESTS

Water Saving

Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% (Report: How a simple change in the washroom can significantly reduce water consumption and associated costs. Durrant and McKay, 2011).

PRODUCT TESTING

TEST TYPE	TEST STANDARD	COMMENT
Bactericidal	EN1499	Passes standard using 1.5ml for 30 seconds. Tested against <i>Escherichia coli</i> (G-ve).
