DESCRIPTION

Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support compliance control in the workplace. This Scott® Control™ centrefeed toilet tissue system delivers maximum hygiene without compromising on efficiency. This centrefeed roll dispenser is part of the Scott® Control™ coordinated washroom range, designed to work in perfect harmony with 8569 Scott® Control™ toilet tissue rolls. This washroom dispenser forms part of the one-sheet dispensing system for increased efficiency - helping to control usage, reduce waste and cut unnecessary costs. As the highest capacity single roll centrefeed toilet roll dispenser system on the market, it is ideal for a busy washroom environment. The high capacity system of this commercial toilet paper dispenser also means less time is required for refilling, ensuring there's always product available and allowing more time available for important cleaning tasks to improve your workplace hygiene. The Scott® Control™ toilet tissue dispenser is fully enclosed to increase washroom hygiene, protecting the rolls against cross-contamination and ensuring users only touch the sheet they use. Our touch free dispensers reduce the risk of cross contamination. The gloss, smooth rounded design of this toilet paper dispenser has no dirt traps, allowing an easy one-wipe-clean for improved washroom hygiene. Perfect for small spaces, the flat-to-wall design this washroom dispenser only protrudes up to 127mm into the cubicle. The Kimberly-Clark™ dispenser is robust and lockable. This dispenser is only compatible for use with Scott® Control™ toilet tissue 8569, created to perfectly compliment each other and lead the way in hygiene and efficiency. The Kimberly-Clark™ centrefeed dispenser measures 31.3cm (L) x 30.7cm (W) x 12.7cm (D).
