DESCRIPTION

From wiping up grime, oil and grease to soaking up food prep spills, having the right wipe on hand is crucial to your operation. A clean, absorbent and durable alternative to paper towels, rags and shop towels, WypAll® offers a wide range of task-specific wipes and cloths designed to meet your industry needs and enhance your confidence in every clean. The Power Clean™ range has been specially designed to tackle the toughest tasks - perfect for use in industrial manufacturing. With a precision-engineered surface texture, WypAll® X80 cloths now absorb over 20% more oil and up to 15% more water than before. WypAll® X80 Power Clean™ Heavy Duty Towels provide industrial-strength durability, giving front-line workers the confidence to effortlessly clean challenging surfaces. Precision-engineered for heavier-duty tasks, they quickly absorb industrial-size commonly used chemicals, grease, and oil spills. Each cloth measures 28.1cm x 42.6cm.

Each BRAG™ Box of WypAll® X80 Power Clean™ Blue Cleaning Cloths contains 152 blue, absorbent cloths

With a precision-engineered surface texture, WypAll® X80 cloths now absorb over 20% more oil and up to 15% more water than before

Advanced Hydroknit™ technology ensures these professional cleaning cloths are strong and fast absorbing; hydroentangling process bonds cellulose fibres into webs for faster absorption and greater tear resistance

These reusable cleaning cloths have been tested as compatible for use in spray and wipe applications with peracetic acid, hydrogen peroxide, bleach (sodium hypochlorite) and quats (quaternary ammonium compounds). Always follow manufacturers' instructions for dilution, application, and contact time

Clean, reliably consistent cleaning wipes supplied in a BRAG™ Box system with single-sheet dispensing designed to improve hygiene by minimising grime/dirt touching the cleaning wipes; portable and ideal for small workspaces
