Product Description

The WypAll\* X70 Range has been specially designed for medium duty wiping tasks, especially where water absorption is key. WypAll\* X70 absorbs oil and water 3 times faster than laundered cloths. Even wet wet it stays soft, strong and keeps its shape.

Leading the way in absorbency, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and reusable cloth.

Advanced Hydroknit\* technology ensures each cloth is lightweight, absorbs quickly, helping to reduce residue and allow versatile cleaning across a variety of tasks. Perfect for use in industrial manufacturing.

Supplied in a flexible BRAG\* Box system, providing protective packaging to prevent grime/dirt touching the product. Single sheet dispensing, giving you controlled usage and access to protected cloths. Ideal for portability or small work spaces.

This product is sold as 1 BRAG\* Box x 152 white, 1 ply cloths (152 total). Individual sheet size 42.7cm (L) x 31.8cm (W).
