

Shield Cleaner Disinfectant Plus

Shield Cleaner Disinfectant Plus

Description

Cleaner and disinfectant used for cleaning, disinfection and deodorisation of water-resistant surfaces.

Key properties

- 3 in 1 action - cleans, disinfects and deodorises in one step
- Effective against a wide range of micro organisms
- Ideal for use in washrooms and leisure areas
- Unique, patented Odour Neutralizing Technology (O.N.T.)

Benefits

- Cleans and effectively disinfects all hard surfaces including ceramic, stainless steel, chrome, walls, porcelain, woodwork, vinyl and plastic
- For large surfaces including washrooms, gymnasias, showers and swimming baths
- Removes unpleasant odours both at source and the surrounding area

Use Instructions

Shield Cleaner Disinfectant Plus needs to be diluted and is either dosed manually or with pump.

Surface Cleaning

- Apply the solution to surface using trigger spray, sponge or cloth and wipe
- Allow 5 minutes contact time
- Rinse and allow to dry
- Replace or rinse the sponge or cloth regularly

Floor Cleaning

- Apply the solution using mop and bucket and wipe.
- Agitate area with mop or brush allowing 5 minutes contact time
- Rinse and allow to air dry
- Replace or rinse the mop regularly

Dosage*

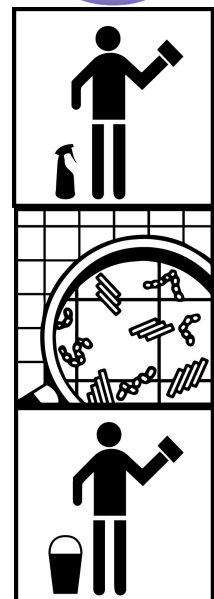

Spray application:

Fill the 500 ml trigger bottle with water. Dose 1x10ml (2%) into the trigger bottle. Attach the trigger and shake bottle gently (Recommended concentration 2%).

Bucket application:

Start filling bucket with water and dose the required amount of product concentrate to it. (Recommended concentration: 2%).

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

Shield Cleaner Disinfectant Plus
