Product information

These Portwest lab coats come with a choice of contrast collar for easy identification where departments segregation of work areas is necessary to limit potential cross contamination. They are food safe with no pockets that can trap dirt and bacteria and suitable for industrial washable.

Food Industry

The Food Industry range of garments has been developed to meet the rigorous demands of food preparation and catering environments. The garments have a streamlined design and are low maintenance for easy care. Hardwearing and functional, this range is the perfect choice for the demanding professional.

Features

- Hard wearing durable twill fabric with excellent dye retention

- Non shrinking to ensure that this style maintains its shape wash after wash

- Contrast collar to identify high risk workplace areas and limit cross contamination

- Concealed stud front for easy access

- Suitable for industrial laundry and domestic home wash

- No outside or inside pockets to avoid trapping dirt and bacteria

- New style

- Machine washable at 60°C
