PRODUCT SPECIFICATION & TECHNICAL DATA

AP37 - Grip 15 Nitrile Foam Touch Screen Glove

Collection: Grip Gloves
Range: Hand Protection
Materials: Nylon
Dipping:

,
Outer Carton: 120

Product information

Engineered for comfort and performance, this breathable nylon liner work glove features a nitrile foam double coating that delivers enhanced durability, grip, and protection in demanding environments. The lightweight nylon liner promotes airflow to reduce hand fatigue and heat buildup during extended wear. The nitrile foam coating provides excellent abrasion resistance and a secure grip in both dry and oily conditions, while the double-coated construction improves water resistance for wet-handling tasks. Designed with modern job site needs in mind, the glove offers touchscreen compatibility, allowing users to operate smartphones, tablets, and equipment screens without removing their gloves. Contact heat resistance adds an extra layer of protection when handling warm materials.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....

Standards

EN ISO 21420: 2020 Dexterity 5
EN 388: 2016 + A1: 2018 (3131X)
EN 407: 2020 (X1XXXX)
ANSI/ISEA 105: 2016 (142)

Features

- Nylon has Higher Tensile Strength than polyester, has good stretch with the PU providing further abrasion performance
- Nitrile foam coating for excellent grip in wet and dry conditions
- 15 gauge liner provides the best balance of dexterity and durability
- Double dipped is a two layer construction combining an inner smooth layer with an outer sandy layer providing the best of liquid protection, grip and durability
- Touchscreen properties to be used on most devices
- Protection against contact heat up to 100°C
- Naturally moisture wicking and breathable
- Certified to EN388 with 3 washes
- DMF Free
- Individual retail Hanging Card for display
- CE certified
