## PRODUCT SPECIFICATION & TECHNICAL DATA

### BIZ1 - Bizweld FR Coverall

**Collection:** Bizweld™  
**Range:** Flame Resistant  
**Shell Fabric:** Bizweld 330g  
**Box Quantity:** 15

#### Product information

Voted the number one favourite coverall in the welding industry, our best selling Bizweld coverall is ideal for offering complete protection to workers exposed to heat. The generous fit provides comfort and allows the wearer to work unhindered whilst ample storage space, rule pocket and concealed mobile phone pocket hold equipment securely and safely.

#### Bizweld™

The garments in the Bizweld Flame Resistant range have been specially designed to guarantee comfort, performance and safety whilst providing effective function at all times. This range has been rigorously tested to ensure total compliance with the latest international standards.

#### Flame Resistant

This industry leading range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
