PRODUCT SPECIFICATION & TECHNICAL DATA

P420 - Vancouver Half Mask

Collection: Respiratory Protection

Range: PPE

Materials: Thermoplastic Rubber

Outer Carton: 16

Product information

Well balanced Half Mask manufactured from durable and flexible thermoplastic rubber. Dual bayonet filter connection provides better weight balance and wider field of vision. Ergonomically designed head harness reduces pressure and provides maximum wearer comfort. ABS filter holders with frontal exhalation valve. Filters sold separately.

Respiratory Protection

Introducing the new PW Safety range of Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN136 (Full Face Masks) and EN140 (Half Masks). Complete with a full range of interchangeable filters.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
