

PS62 - Expertline Safety Helmet (Wheel Ratchet)

Collection: Head Protection

Range: Head Protection

Materials: HDPE, LDPE

Outer Carton: 16

Product information

Our lightweight industrial safety helmet is engineered for optimal protection and wearer comfort. Its vented shell ensures air circulation, keeping the head cool even in demanding conditions. The 6-point plastic harness with wheel ratchet allows effortless size adjustment. Complete with a regular peak, universal side slots, and rain gutter, this helmet offers enhanced functionality. The included sweatband adds extra comfort, while the extended rear shell design provides increased nape protection.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.

Standards

EN 397 (-10°C/+50°C)
