#### **Product information**

New helmet mounted hearing protection from our premium colour coded ear defenders family HV Extreme now available with plastic arms and therefore suitable where non-conductive PPE is needed. To be used in combination with Portwest Endurance and Height Endurance helmets. Easy to attach to the helmets the ear defenders offer a secure and comfortable fit and superior protection against harmful noise when high attenuation performance is required. Colour coded cups assist for easy identification of the correct attenuation level.

#### **Hearing Protection**
