

An effective biological treatment for cleaning and deodorising urinals and toilets.

FEATURES & BENEFITS

- Long lasting formula that effectively cleans and clings to toilet bowls and urinals
- Microbes continue to break down organic matter such as ammonia, volatile fatty acids, proteins and uric acid long after application
- Triple Action: Deodorises and reduces scale build up for an effective clean
- Safe on most surfaces
- Cleans pipes and drains
- Safe and natural way to deal with organic waste build-up and odour issues
- Naturally derived coconut & RSPO palm kernel oil derived surfactants

HOW TO USE

Apply undiluted to the toilet bowl, under rim, urinal. Agitate with brush, no need to rinse.
