

Multi Purpose Barrier Cream

When dosing concentrate chemicals always use the recommended PPE, and always read the labels to check best practice for handling both the undiluted & ready to use solutions.

Product Usage Guide

Professional

BK202-5

Instructions for use:

1 Use pelican pump on 5L bottle to dispense into smaller bottle.

2 Remove any jewellery from hands and wrists. Apply a pea sized amount to clean dry hands and rub in.

3 Pay particular attention to sensitive areas e.g. around finger nails, broken skin and between fingers.

4 Rub into hands within 30 seconds.

5 If the product is over applied skin will feel sticky, but the excess can be wiped off.

6 Discard paper towel in waste bin, avoid touching the bin.

Areas for use

Health & Safety

Please refer to relevant COSHH Safety Data Sheet

The regular use of barrier cream is not a substitute for the safe handling of hazardous materials and chemicals.
