Product Information

93% nylon/7% elastane
250 g/m²

Industrial care category C2

- Four way stretch material provides unique freedom of movement and comfort.
- The water-repellent multifunctional stretch material combines a low weight with a very high durability.
- Low waist with form-cut waistband ensures comfort and freedom of movement.
- The kneepad pockets of durable CORDURA® are adjustable so the kneepads have the optimal position on your knees.
- The kneepads are easily inserted from the sides via a zipper, even while wearing the trousers.
- Excellent ventilation at the knee area via a zipper on the side of the leg.
- As standard in three different leg lengths, so you can choose the best fit and optimal placement of details just for you.
- To achieve the best possible comfort, we recommend that you choose MASCOT® Waterloo kneepads for this model.

CORDURA
BRAND
F A B R I C

Certifications

pockets. Thigh pocket with phone pocket with magnetic fastening and integrated ID card holder. Detachable ID card holder. Ruler pocket of CORDURA® with extra pockets. Durable ventilated kneepad pockets of CORDURA®(500 D). Simple individual adjustment of kneepad pocket height. We recommend MASCOT® Waterloo kneepads for this model. With print and reflectors.

Logo

As the product is made of stretch material, a stretchable transfer must be used when printing on the product. You should choose a transfer that can be heated at a maximum of 145 degrees with consideration to print on the product. Remember to check the washing instructions for the chosen transfer before washing the product.
