Product information

The "All-Flex" super-light glove addresses the need in the marketplace for an ergonomically designed glove providing greater comfort and quality. An elasticated knit wrist liner means a comfortable snug fit while the full coverage of nitrile provides high abrasion resistance, superior liquid resistance, great flexibility and grip.

General Handling

The General Handling and Grip Glove category is still one of the most popular collections within Portwest's Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwest's extensive range of Hand Protection products.
