Product information

The Impact glove features a fully padded leather palm ensuring total comfort for the wearer. Rubber knuckle protection, padded palm protection and a reinforced thumb makes this glove tough enough to tackle the most demanding job.

Mechanic Gloves

Designed to enhance grip for precision work, this collection protects from a broad range of hazards. The gloves are constructed from highly engineered textiles and offer an extensive selection of colours, lining, and size options. This collection is suitable for mechanic applications, general construction, material handling, carpentry and utility work.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
