

SW10 - Leather Welding Apron

Collection: Welding

Range: Flame Resistant

Shell Fabric: Split Cowhide Leather

Outer Carton: 30

Product information

Premium quality welding apron made of split cowhide leather with stitching made from Para-aramid. The apron protects the torso and upper legs when welding and is designed to last in the toughest environment. The adjustable straps and a quick release buckle ensures that the apron is secure and has a perfect fit.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
