Product information

Up-to-the-minute and stylish, this innovative jacket offers a windproof, water-resistant breathable membrane with the added luxury of a laminated micro polar fleece. The softshell material stretches for added freedom of movement.

Rainwear Softshell

Technical and innovative, Technik softshells use comfortable stretch woven fabrics and tight layered weaves to offer advanced Waterproof, Windproof and Breathable properties. The sophistication of Technik provides a 100% waterproof garment of unequalled strength and comfort, at the same time retaining exceptional suppleness.

Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care, to ensure total satisfaction wear after wear.
