

HELPS REDUCE THE RISK OF TRANSMITTING HARMFUL GERMS

PURELL® Mobile Sanitising Station

EFFECTIVE HYGIENE WHEREVER YOU NEED IT MOST

Hand and surface hygiene is more accessible than ever with the PURELL Mobile Sanitising Station. One stand allows access from the front only, whilst the other is simultaneously accessible from three sides.

- Displays two bottles of PURELL Advanced Hygienic Hand Rub 500mL and one canister of PURELL Surface Sanitising Wipes, 200 count
- Great for high traffic areas or wherever crowds gather

PURELL Advanced Hygienic Hand Rub

No-rinse hygienic hand rub for hand sanitising that contains moisturisers, feels great to use and is clinically proven to keep skin healthy.¹

- Active against Coronavirus (30s)
- Kills 99.99% of most common germs that may be harmful
- Bactericidal according to EN 1500 (hand sanitiser), virucidal according to EN 14476 and conforms to EN 12791 (surgical rub)
- Specially formulated with moisturisers to leave hands feeling soft and refreshed
- Passed food tainting test in accordance with EN 4120:2007
- Recommended for use on hands that are lightly soiled and in conjunction with a hand hygiene regime

PURELL Surface Sanitising Wipes

Convenient, effective surface wipes, designed for a variety of surfaces, including food contact surfaces.

- Active against Coronavirus (30s)
- High antimicrobial efficiency - bactericidal, fungicidal, virucidal
- Kills 99.99% of most common germs that may be harmful
- Fast acting & quick drying
- Non-rinse
- Passed food tainting test according with ISO 4120:2007

Included in each Mobile Sanitising Station kit:

1

12 x 500mL pump bottle

Initial placement - reusable pump

2

12 x 500mL refill bottle

Flip top refill - reuse pump from initial bottle

3

3 x 200 count wipes

3 canisters of PURELL® Surface Sanitising Wipes

4

1 x PURELL® Mobile Sanitising Station

Choose from either a one sided or three sided stand - each holds two bottles and one pack of wipes

Additional refill bottles can be ordered in cases of 12 using the code 9664-12-EEU

USING THE PURELL MOBILE SANITISING STATION

Build customer and employee loyalty and confidence by offering world-leading hand and surface hygiene products exactly where they are most needed. The PURELL Mobile Sanitising Station can be moved around a premises as needs shift and adapt. To make sure you're getting the most out of your kit, make sure you follow the tips below:

- 1 Insert one canister of wipes and two pump bottles into holders built into the PURELL Mobile Sanitising Station
- 2 When pump bottle is empty, remove from display and unscrew pump. Retain this for future use
- 3 Unscrew flip top cap from refill bottle and replace with pump top. Replace bottle in PURELL Mobile Sanitising Station
