# Sontara® Premium Low-Lint Wipes

## Features & Benefits

### Ultra-Low-Linting

Clean finish and no residue fibres

### Super Strong

Stays together in use

Will not tear on rough edges or surfaces

### Absorbent

Absorbs spills fast and effectively

### Different Textures

Designed for your application

### High Quality

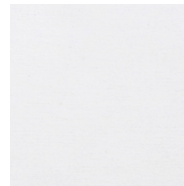

Premium wipes for technical jobs

### Ultimate Surface Preparation wipes

Easily prep surfaces prior to work

## Premium Wipes with Multiple Uses

The unique characteristics of Sontara®, make the wipes ideal for uses and applications across a variety of industries including: automotive, aerospace, engineering, manufacturing, printing cleanroom, electronics transportation health care and pharmaceutical.

### SWS51 - Sontara® White Smooth

- Smooth finish to provide a soft finish
- Lightweight yet strong and durable

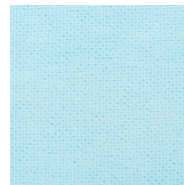

### STS66 - Sontara® Turquoise Smooth

- Smooth finish to provide a soft finish
- Ideal for critical area cleaning

### STC69 - Sontara® Turquoise Creped

- Creped texture to provide a super soft finish
- Enables effective dust and dirt pick-up

### STA75 - Sontara® Turquoise Apertured

- Apertures enable excellent dust, dirt and oil pick-up
- Absorbent and strong

Sontara® 

## Sontara® Handi Box

### Mini Centrefeed Roll Box - Made with Sontara®

- Small centrefeed design, created for ease of use where space is paramount
- Combined with premium Sontara® perforated rolls to ensure maximum solution
- Low-Linting - no residue fibres left behind
- Strong and absorbent - absorbs spills fast and effectively
- Centrefeed design - easy roll dispensing for controlled usage
- Storage - quick and easy to store
- Carry handle - transport around the work place with ease
- Perforated rolls
