IMPORTANT INFORMATION

Jangro Floor Gels

Global pricing of Pine Oil & Lemon Oil has been driven upwards of 125% in recent times due to a number of global pressures, this will affect our Jangro Pine and Lemon Floor Gels. After further investigations it appears the market is moving away from pine oil and using synthetic options as an alternative. Therefore,

we will now be supplying synthetic based formulations which provide the same cleaning performance and with the advantage of being a more environmentally friendly option.

Synthetic Benefits:

**Made from
Natural Oils**

**Environmentally
